	<p>research.</p> <ul style="list-style-type: none"> No response from Alix regarding updating website registration or possibility of promoting CIHC ResearchNet via social media. No response from John Gilbert re: how best to follow up with Dr. Joshua Tepper and John Abbott. Institute of Medicine and American Academy Medical College are obtaining foundation grants from private sources (such as Gates Foundation; RWJ; Macy's); Global funding for IP meeting at Harvard. Changes in IP practice – seek feedback from patients; link into practice translational research. CAIPE: Chris Green interested in collaboration for global network; he is very busy (nurse; PhD student & instructor. Can create conversation on email with everyone. 	<p>Hossein to follow up with Alix re: website registration and promotion via social media</p> <p>Hossein to follow up with John Gilbert re: Dr. Tepper and John Abbott</p> <p>Annette to attend IP Medical Education meeting at Harvard & report back re: global funding possibilities</p> <p>Hossein to keep in touch with Chris at CAIPE</p>
3.	<p>Funding proposal Development:</p> <ul style="list-style-type: none"> Template proposal will need to be revised for each specific call to respond. Discussion re: possible submission for team building grants. Discussion re: revising formal vision of CIHC ResearchNet to attract more members & shift focus to practice in addition to research. Need more discussion regarding this as the founders put a lot of time & thought into crafting original vision. Both gain & lose in revising the vision. 	<p>Catherine to conduct interest research on team building grants</p> <p>Continue discussion re: vision; perhaps speak with founders</p>
4.	<p>Other business:</p> <p>Monthly (quarterly) E-Newsletter –</p> <ul style="list-style-type: none"> Interesting idea but need to have funding & workforce. Perhaps have student volunteers assist. 	<p>For future discussion</p>
